SUBJECT AREA COUNTIES ON MAP SHEET
51750 Radford

Sheet Location within Entity

A map of the state of Virginia is shown within a black rectangular border. A yellow-shaded area represents the specific geographic region covered by map sheet 51750. This area is located in the western part of the state, primarily within the Shenandoah Valley. A thin blue rectangular outline is superimposed on the yellow area, indicating a sub-region or a specific feature within the sheet's coverage. The yellow area follows the general shape of the valley, including the northern reaches towards the Maryland border and the southern extension towards the North Carolina border.

The plotted map scale is 1:5000
